Artpool

This print I found on the site that is build bij www.artpool.hu. Their site is huge and contains more information then one can grasp in one day.

The artistamp I made here was an eraser-carved one, and then printed on my special papers I used back in these days. Dated : 4-11-1986.

Collaboration Ruud Janssen & Mark Greenfield - Serie 3

Mark Greenfield (UK) always sent me the same envelopes with his typical handwriting on it combined with his rubberstamps. I once challenged him by returning an envelope with an addition. This way the envelope went back and forth a few times. Because I had access to a scanner I documented the in-between-stages, and I am now publishing a few series on this BLOG. To document the series I made postcards (in colour) of the several stages and sent mark a series of these cards as well. I hope you enjoy seeing this 'mail-art'.

card from Adamandia Kapsalis - USA

Finally some time to put some of the mail-art online that I received in the last days. The first card is a funny one. Adamandia passes this street every day when she goes to work. She made a photo and card out of the sign and sent it to me. I also placed it on the TAM-Findings Blog I keep online.
