The original plan for the Mail-Art selfportraits was to make it a digital project. But some can't resist to send me beautiful mail-art for the project, which I will use as well off course.

### **Charles François, Belgium.**

In the 80-ies I was in contact a lot with Charles François from Liege, Belgium. He used a modem and an Apple computer in the early years of communicating with e-mail. He had RATOS, I had the TBHS (Tam Bulletin Host System), and we were pioneers in these new fields where mail-art and electronic networks joined.

On the Internet I can hardly find things from him. His old website from the University of Liege has gone.... Does anybody know where he is or what happened?

The photo is from my archives (dates 15 years back I think).
