The Metro System in Athens, Greece is very modern. All thanks to the Olympic Games in 2004 where the Greek Government managed to improve this system for the 4 million plus inhabitants....

### Mail-Art Pile-Up

Because I am for a longer period abroad, my Mail-Art in the P.O. Box in Breda will pile up for more then a month. So if you send me something, expect it to be visible here after quite some time. I will document the pile as I find it and will publish it here. For the coming weeks I will still post here from the places where I am.
