Scanned all the mail

Yes, it took some time, but finally I scanned all the mail-art that came in the last 6 weeks. In the coming days I will try to publish most of it on my blog, so you can see what kind of collection was exhibited in my P.O. Box 1055. The Postoffice do a good job here in Breda. When we are away for a longer time they store all the incoming mail in a larger box and it stays there unharmed.
