New books

On the Webshop from TAM-Publications (see besides this text) you will notice that two new books have been published this month:

1. The lecture I gave at the Stendhal Gallery in New York was based on two sources: The essay I wrote for the Gallery and a slideshow I used at the Willem de Kooning Art Academy. I combined these two sources. The lecture was recorded on video by 3 sources (Mark Bloch, USA - Larry Miller - USA, Cecil Touchon - Canada). To make the sources available I made a 110 pages book out of these. Download of the files is currently for free.

2. The IUOMA was 20 years old. The period 1988-2008 is documented with a book containing texts by Ruud Janssen, Vittore Baroni, Wilma Duguay, Tulio Restrepo, Geert de Decker and John Held Jr. Lots of illustration from the rich history of the IUOMA. Also for this book the material the download will be free for the first time.
